

Current Vita

- Birth Date: early 60's
- Birth Place: Smolian, Bulgaria
- Citizenship: Bulgarian
- Residence: Bari, Italy

Education

- Ph.D.: University of Sofia, 1992
- M.Sci.: University of Sofia, 1988

Professional Experience

- 1998-present: Associate Professor, Polytechnic of Bari
- 1996-98: Associate Professor, Sofia Institute of Technology,
- 1992-96: Assistant Professor, Sofia Institute of Technology,
- 1993-94: Postdoctoral, University of Catania

Scientific Interests

- Primary: Linear and nonlinear PDE's of elliptic and parabolic type, Degenerate boundary-value problems, PDE's with rough data
- Secondary: Functional Analysis, Singular Integrals, Potential Theory

Fellowships

- CNR research fellowships: 1993, 1998
- CNR-NATO research fellowship: 1997

(CNR=Italian National Research Council)
